I would likely recommend All the whey. They are close to you (in PA) so the freight would not be outrageous, and they handle a lot of protein products.

Here is Rob's contact:

Let him know I referred you.

Also I did receive your quote request I will have that to you shortly..

If you were in a position where you wanted to do a protein like Synthra-6 and maybe a 5 lb'r, who would you go through? I know you probably wouldn't handle that type thing yourselves, so hope you don't mind me asking.

Also, did you get my Focus XT 10 serving request?

Thanks,  
Steve
